I am delighted to have attended the Conference of Sashobana Complex in this school. There is a vibrant atmosphere and the teachers are well motivated. I am confident with the team working under the guidance of the dynamic Principal. The school will scale higher peaks of glory.

I am very much impressed by the academic and administrative standards of this institute. But work is never done.

Dr. Radhakrishnan
 AC, KVS, Calcutta

So many people are disappointed with the teaching in the setting of the perfect example the leader is leading from the front. What a school!

BARRY O'BRIEN

I am really surprised to see the silent performed works upliftment for the institution of this able guidance at the Mrs. Mehta. One day this institution will keep its firm imprint in the Educational field of this country. I wish all success of this institution.
